

Report on District level School safety sensitization programme, Thrissur District

Schools are critical infrastructures entrusted with the responsibility of creating citizens of tomorrow. A safe and secure environment is a prerequisite for effective teaching and learning. Thus, Making the school premises safe to all kinds of hazards is necessary. It becomes of utmost importance that safety of children is given due consideration, thus making schools safe also serves the purpose of their dual use as evacuation centers during emergencies. School safety measures includes both structural & non-structural measures. As per the direction from the State Disaster Management Authority, decided to organize a school safety sensitization programme to all concerned officers by the month of February.

In this regard, District disaster management Authority Thrissur & District Education department jointly organized a school safety sensitization programme with the technical support of Kerala State Disaster Management Authority, Thiruvananthapuram on February 21st 2022. After considering the present limitations in organizing trainings due to COVID 19, the sensitization programme has been scheduled on an online platform with two-hour duration. Sri. Joe John George State Project Officer, KSDMA, and Mrs.Indu V, Architect KSDMA handled the sessions on school safety and structural safety respectively. District Education Officers, Assistant Education Officers and Headmasters attended the programme. Total number of participants were 720. The entire programme was very informative and need of the hour considering increasing number of disasters in terms of severity and frequency.
