(Present: Dr. Adeela Abdulla. IAS)

Order No. DCWYD/2801/2021/DM3(2) Dated . 12.05.2021.

Su b:- National Disastermanagement Guidelines-Incident Response System,
a publication of the National Disastermanagement Authority,
Government of India.

Ref :- Monsoon preparedness guidelines issued by Kerala State Disaster
Management Authority

The National Disaster Management Authority (NDMA) vide paper read as 1st above had issued guidelines on the implementation of Incident Response System (IRS) in India with the vision to minimize loss of life and property by strengthening and standardising the disaster response mechanism in the country. The Incident Response System (IRS) is an effective mechanism for reducing the scope for ad-hoc measures in response. It incorporates all the tasks that may be performed during disaster irrespectives of their level of complexity. It envisages a composite and comprehensive team with various sections to attend to all the possible response requirements. The IRS identifies and designates officers to perform various duties in their respective roles. The IRS organisation functions through incident Response Team (IRTs) in the field. In line with the administrative structure and Disaster Management Act 2005, Responsible Officers (ROs) are designated at the State and District level as overall incharge of the incident response management.

As per the paper read 2nd above, Government of Kerala ordered that all District Management Authorities in the state shall notify the incident Response System in the District and taluks with the approval of DDMA.

In accordance with these circumstances, the IRS of Wayanad is hereby constituted under section 30 of the Disaster Management Act, 2005, with the below mentioned officials posted to the pre designated positions in IRS.
