

SCHOOL SAFETY REVIEW MEETING REPORT- DDMA ERNAKULAM

JULY 20 ,2022

❖ INTRODUCTION

The idea of ‘School Safety’ has been defined as the creation of safe environments for children starting from their homes to their schools and back. This includes safety from large-scale 'natural' hazards of geological/climatic origin, human-made risks, pandemics, violence as well as more frequent and smaller-scale fires, transportation and other emergencies, and environmental threats that can adversely affect the lives of children. The concept has evolved over the last couple of decades as the threat to the physical well-being of children has become more visible both globally and in the country.

- Complying to the National Guidelines on School Safety (2016), a District level level advisory committee was formed vide proceedings DCEKM/7754/2020-D1 No. dated 02.12.2020 . To monitor the implementation of the school safety activities, in the District
