

A REPORT ON IDDRR ACTIVITIES CONDUCTED IN ERNAKULAM DISTRICT

OCTOBER 13, 2022

DISASTER RISK REDUCTION DAY PROGRAMME OCTOBER 13, 2022, ERNAKULAM

13th October 2021 is observed as **International Day for Disaster Risk Reduction (IDDRR)**. Each year, the focus has been on one of the seven targets of the Sendai Framework agreed by UN Member States at a World Conference on DRR in Sendai, Japan. This year's theme is ***Early Warning and Early Actions for All***. Based on this, the District Disaster Management Authority Ernakulam (DDMA) conducted various awareness programmes in schools to increase knowledge about Disaster management and safety measures among children.

The event was inaugurated by **District Collector Renu Raj IAS** and additional District Magistrate Shri. Shajahan S. presided over the district level inauguration of the programs in Ernakulam district on Thursday, October 13 at 10 am at S R V School auditorium.

The Health Department, Fire & Rescue Department and Education Department collaborated on awareness programs on various issues that were conducted throughout the district. Mock drills are conducted in selected schools in all taluks of the district, school safety training in schools under each fire station and first aid training for children under all health blocks.

Inaugural Programme

The Programme was conducted at SRV school Ernakulam .
