## Training Program Report

A training program for Disaster Risk Reduction and Emergency Response for various departments during the Sabarimala Makaravilakku Season was organized on December 8th and 21st, 2022 at Pampa and Sannidhanam ( Sabarimala, Pathanamthitta). The training was facilitated by officers from the Kerala State Disaster Management Authority. Four sessions were held in the two-day training program. Training sessions covered Emergency Operation Center and Control Room functions such as communication, collaboration, roles and responsibilities. A specific session on Stampede and Fire included checklist analysis and orientation on dos and don'ts was also included in the training. Mr. G S Pradeep (Hazard and Risk Analyst-KSDMA), Mr. Fahad Marzook (Hazard Analyst-KSDMA), and Mr. Adharv Suresh (Safety Engineer-KSDMA) facilitated the sessions. The training program drew 100 officers from different departments.
