

**TRAINING FOR MEDICAL OFFICERS AND NURSING OFFICERS ON  
DISASTER MANAGEMENT AND DISASTER PREPAREDNESS- MARCH  
2024**

Event Name	Disaster Management and Disaster Preparedness- Training for Medical Officers and Nursing Officers
Event date	March 12, 2024
Event venue	NHM Conference Hall, District Hospital, Kottayam
Details of the event	<p>A session on "Disaster Management and Disaster Preparedness" took place at the NHM hall of the District Hospital in Kottayam on March 12, 2024. The program, organized for medical officers and nurses, drew the participation of approximately 34 enthusiastic attendees. The engaging session witnessed active involvement from the participants, who posed numerous insightful questions pertaining to disaster management plans and hospital safety protocols. The event, under the guidance of the District Medical Office, Kottayam, kicked off at 10:30 am and concluded at 11:30 am. Notably, the participants demonstrated a keen interest in understanding the intricacies of disaster preparedness, particularly focusing on the district's Disaster Management plan and the safety measures implemented within the hospital. The dynamic interaction and raised queries showcased the commitment of the medical officers and nurses towards enhancing their knowledge in the crucial field of disaster response.</p>

	<p>Overall, the session provided an informative platform for attendees to gain valuable insights into disaster management and preparedness, contributing to the enhancement of their professional capabilities in dealing with potential emergencies.</p>
