

The Kerala State Disaster Management Authority (KSDMA) organized a series of webinars to present its activities associated in disaster risk reduction. The objective of the webinars served both to disseminate the knowledge and to receive feedback and gather inputs on activities and improvements for future work of KSDMA. The first of the webinar series – COVID 19 & Disaster Preparedness 20 was held on 19th August 03:00 pm to 05:00 pm IST. The webinar was attended by 130 IAG member organisations plus hosts/presenters. The webinar was structured in an introduction with polls and questions to find out more about participants; two presentations, each followed by Q&A; and a chat-based feedback collection from all participants. The programme was co hosted by Inter Agency Group – Kerala.

Pradeep. G.S, HRA, KSDMA opened the meeting and welcomed the participants. The Session was inaugurated and chaired by Dr. Sekhar L.Kuriakose, Member Secretary, KSDMA. Orientation lectures were delivered by Mr. Joe John George, SPO, KSDMA and Mr. Fahad Marzook, Hazard Analyst, KSDMA. Mr. Vijeesh P, SPO, Sphere India moderated the programme by briefing about the agendas. Dr Sekhar L Kuriakose delivered opening remarks, in his opening remarks, Dr. Sekhar. L. Kuriakose apprised the IAG members about the response activities carried out for COVID 19 and he discussed about the ongoing and past disaster scenario in Kerala and mentioned how important it is to have a network of civil society organisations. Discussions centres around the possible arena of collaborative preparedness work. Good models from various districts were discussed. He further emphasised that, it is essential to document IAG good practices at state and district level. Knowledge shearing is crucial in Disaster Risk Reduction.

Fahad Marzook, presented a brief overview of the early warning systems in India. The presentation focused State-wide Early Warning Dissemination Systems (EWDS) and its last mile connectivity for the State of Kerala. The presentation also concentrated on the following issues: roles and responsibilities of IMD, INCOIS and other state /national institutions. There is need to develop Block/LSG level mechanisms to deal with warning dissemination. Joe George presented role of civil society engagements in Disaster Risk Reduction. The major focus was on the Inter Agency Groups in districts; He emphasized the need to identify local stakeholders for DRR and further added on the importance of institutionalisation of IAG and

Unified Response Strategy. He emphasised on school safety programme, inclusive DRR and community based DRR. The session discussed various subjects like resource data base, NGO accreditation ect. He further added that the DM Act, 2005 provides the legislative back-up to enable collaborative mechanisms at all levels for participation and joint/coordinated action by Government and NGOs in disaster management planning. The presentation was followed by group discussion. The discussions and questions involved was the importance of mainstreaming IAG institutionalisation.

Key Discussions

1. A brief discussion about the capacity building programme to be designed in a manner wherein IAG member organizations are kept engaged during peace time for preparedness activities.
2. District IAGs to call of the meeting with NGOs and other civil society organisations .This will help them out to carry the sectoral mapping of all the recourses/skills available in the district.
3. It is essential to develop Emergency ROSTER at state and district level. Emergency Roster is a detailed document of volunteerism and willingness certificate issued by an individual who commit himself / herself to work in emergencies
4. Organize documentation and publicity on the IAG interventions; newsletters, video documentations ect.

The training workshop concluded with Vijeesh. P thanking all participants and resource persons for their active participation and engagement
