## Report

As part of the Comprehensive School Safety programme under KSDMA- UNICEF partnership, it was decided to conduct regional training programmes on School Safety at the district level. A total of 200 schools in 14 districts have been selected for the training programmes based on the multi hazard zones and 2018 flood affected area.

The regional training program on school safety program for the Kozhikkode and Wayanad districts was conducted on Saturday, the 8th of February 2020 at the Mar Baselios Hall, Eengappuzha, Thamarasserry, Kozhikkode Dist. The DDE of Kozhikkode District Mrs Mini V P, DDE in charge of the Wayanad Dist., DEOs and AEOs of the two districts participated in the training apart from the Headmaster or the representative from each school. 58 persons attended the programme out of which 43 were teachers from different schools in the two districts.

Mr Fahad Marzook, Hazard Analyst (Meteorology), KSDMA and Mrs. Ashwathy P, Hazard Analyst, DDMA, Kozhikkode facilitated the workshop. The program started with an introduction to the basics of Disaster Management by Mr. Fahad Marzook after an icebreaking session, where participants could lay down their point of view and also understand the institutional mechanism of DM in India. He also pointed out the frequenting climate related extremities which affect the vulnerable sections of the society disparately.

Later on Mrs. Aswathy P delivered a detailed lecture about the Comprehensive School Safety programme and the roles and responsibilities of stakeholders in the education sector in building resilience and capacity towards Disasters.

The afternoon sessions were focused on the review of School DM plan templates, Group Discussions, evacuation plans and follow up mechanisms. Review of the template of school DM plan filled in by the participants was the

major activity done during the interactive sessions. This review helped them to understand various differences and disparities in the execution of the school safety plan. As part of this training programmes a booklet on school safety, template for school safety plan and a cloth bag were provided to the participants.
