The Inter Agency Coordination led by Sphere India created a common platform for the Humanitarian Agencies to come together and plan their actions avoiding duplication, overlapping and also to have a better collaboration with the District Administration supplementing the State Government relief effort. IAG Coordination was facilitated in 10 most affected Districts of Kerala (2018- Flood) to strengthen the coordination mechanism to ensure efficiency in humanitarian response. Later it was spread to 14 Districts. It was observed that there is a need for sensitizing local NGOs and CBOs who took part in the relief effort on Humanitarian Minimum standards, CHS, RIC and GBC and on how to use JRNA tools including digital data collection, for better Coordination to avoid duplication and build common understanding among the agencies.

The joint Detailed Needs Assessment (JDNA) conducted by Sphere India in the month of September has covered the most important sectors such as Gender, Health, Nutrition, Shelter, WASH, Communications, Education, Heritage, Protection and Livelihood. With five Inter Agency coordinators deployed in the 10 most affected Districts, Sphere has provided a unified platform for the humanitarian agencies for collaboration with the District Administration of these Districts. Sphere India conducted 31 Districts and 3 State level IAG meetings within a period of 3 months (Access link: http://sphereindiablog.wordpress.com/).

Need for IAG: Reduce vulnerability and disaster risk of people of Kollam through coordination, advocacy and knowledge management, ensuring effective and efficient response to emergencies while ensuring minimum humanitarian standards.

Specific Objectives of IAG:

- To institutionalize Inter Agency coordination led by District & State government with ownership and participation of local civil society organizations, Academic, CSR initiatives, Media and other stakeholders.
- Mapping of sectoral NGO and other stakeholder capacities.
- To coordinate emergency response initiatives, activation and deactivation of unified response, sharing information and assessments at the time of an emergency, to ensure effective and efficient delivery of emergency relief.

- To provide a forum for knowledge management and exchange of information among members and other stakeholders to improve standards and efficiency in disaster response and risk reduction.
- To promote sphere and other national standards in collaboration with other state and nonstate actors through advocacy and collaboration.
- To identify information/data gaps and undertake risk and vulnerability assessments ,for more efficient and effective disaster preparedness and management.

The purposes of the IAG

- To provide a forum for coordination among members and with NGO s for effective disaster management in the Kollam district
- To promote the sphere values and other international humanitarian standards among all the civil society organizations working for disaster management.
- To develop and disseminate technical information relative to effective planning and implementation of disaster management program in the district.
- To build up capacities of subscribing members (and their implementing partners) to undertake
 joint quantitative and qualitative damage assessment during emergency that could enable
 member organizations to response quickly and effectively to emergencies and avoid
 duplication of efforts.
- To set up a two-tier IAG mechanism consisting of IAGs& NGOs at the state level and the implementing NGOs as the District Coordination Committee Members.

Inter-Agency Group is a platform for coordination and collaborative action among different stakeholder groups. Currently, there 19 states have existing IAG mechanism in India. The Members of IAGs generally include – Govt. Agencies, UN Agencies, NGOs, and Networks, CSRs, Academic Institutions etc. This platform facilitates – Inter Agency Coordination, Knowledge & Capacity Sharing, and Collaborative Advocacy etc. It is primarily led by Non Govt actors with participation and coordination with designated Govt. focal point. In response to the Floods and Landslides of 2018, Sphere India (NGO) launched Inter Agency Coordination for the first time in Kerala and established IAG groups in 10 affected districts. The Unified Response Strategy coordinated over 200 International, National and Local Humanitarian Organisations of the state.

The partnership program of Kerala State Disaster Management Authority (KSDMA) and Sphere India (NGO) formed for the purpose of System Strengthening of District Disaster Management Authorities (DDMAs) of Kerala has led to formation of Inter Agency Groups in all 14 districts of Kerala.

Inter-Agency Group- Kollam

Inter-Agency Group Kollam was established on 11th of October 2019 with its first meeting in Kollam Collectorate. The formation meeting was chaired by Hon. Additional District Magistrate Shri P R Gopalakrishnan. The chairperson commenced the meeting by sharing the objectives and importance of IAG in the District. Later on Mr. Praveen S, District Project Coordinator (DPC) - Sphere India shared the agenda and gave a detailed idea about IAG, its purpose, objectives, institutionalising the IAG and the KSDMA- Sphere India programme as well. Following Mr. Praveen, Dr. Sreeja M U, Hazard Analyst- KSDMA spoke about the DM Act, 2005 and the existing Disaster Management Plan of Kollam District. Each organisation presented their areas of work and on going projects.

As on 27th February 2020 IAG Kollam has 28 Local, National and International member organisations working in multiple areas of humanitarian assistance. Mr. Praveen S, DPC (KSDMA-

Sphere India program) is the Coordinator of IAG Kollam. Mr. Sathyan P A, Secretary TRACK (NGO) is nominated as the Convenor of IAG with an executive Body of 11 members.
