

# Report of the Training Programs on School Safety conducted in Wayanad District

---

**Organized by**

District Disaster Management Authority Wayanad &  
National Disaster Response Force

Kerala State Disaster Management Authority

## Introduction

The DDMA Wayanad has initiated to establish and implementation of the School Disaster Management Club (SDMC) in every school (regardless of whether it is government/private; aided/unaided) for a safer tomorrow and to build capacities for Disaster Risk Reduction. This is a novel initiative that every school in Wayanad shall equip with a DM club that shall function to build a culture towards a safer tomorrow. DDMA to implement such a thematic club, especially for Disaster Management early learning in every school regardless of being Government Schools to achieve for better future and Disaster Risk Reduction.

In the training program following topics were Covered:

- Basic DM terminology
- Triage
- Bleeding Control
- FBAO
- CPR
- Flood Rescue Training
- Fire Training
- Snake Bite
- Rope knots
- Earth Quake Mock Drills
