

Event Name	Training for the JTO Trainee Officers in the field of disaster-related communication.
Event date	13/02/2024
Event venue	KSDMA
Details of the event	Sri. Yuvaraj Biradar and Sri. Bojankí Vinay Chandra Mouli, both JTO trainee officers, visited KSDMA accompanied by the Senior Consultant in Telecommunication at DoT. During their visit, Ms. Geethu S S, the Communication Engineer, provided detailed insights into the various communication systems utilized by KSDMA, including VSAT, ISAT, Hotlines, IPPBX System, ERSS system, CAP, and Citizen Help Desk. An office tour was conducted to explain these systems thoroughly and demonstrate how KSDMA utilizes them in the event of a disaster. The Kawacham Project, along with its associated siren system and dashboard, was also elaborated upon. They were provided with an opportunity to explore the Kawacham Dashboard firsthand during their visit.
