

Training Report on Incident Response System (IRS) 2024

**Kerala State Disaster Management Authority
Kerala State Emergency Operation Centre**

Introduction

The complexity of incident management coupled with the need for multiagency and multifunctional involvement on incidents was the main rationale for the development of a single standard incident management system that can be used by all emergency response disciplines. This resulted in the development and implementation of Incident Response System (IRS). It envisions a diverse team with specialized sections to address various response needs. By designating and training officers for specific roles, the IRS ensures a structured and efficient response. Implementation of the IRS, alongside stakeholder training and role awareness, is crucial in minimizing confusion and disorder during response efforts.

The IRS structure is a need based, flexible organisation. All the components need not be activated simultaneously. In Kerala, where various disasters such as floods, landslides, tsunamis, human-animal conflicts, and health emergencies occur frequently, the IRS can be effectively applied for managing such emergencies. By using the IRS system, chaos and confusion during the response phase can be reduced significantly. Clear guidelines on actions, responsibilities, command structures, and accountability will help ensure a cohesive and efficient response to disaster management in Kerala.

Objectives

- Equip participants with a thorough understanding of incident response systems.
- Familiarise the roles and responsibilities defined for each position in IRS
- Foster collaboration and coordination among district officials during emergency situations.

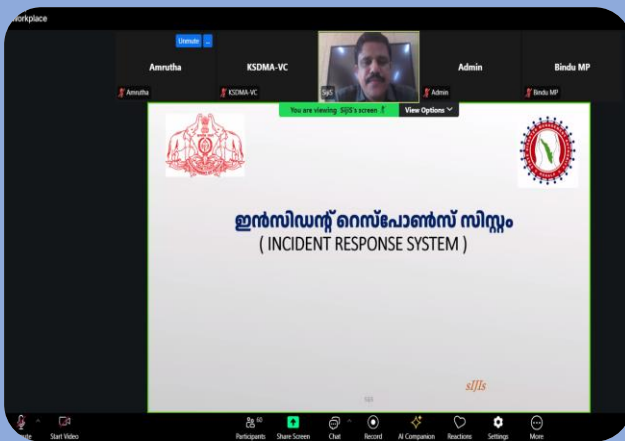

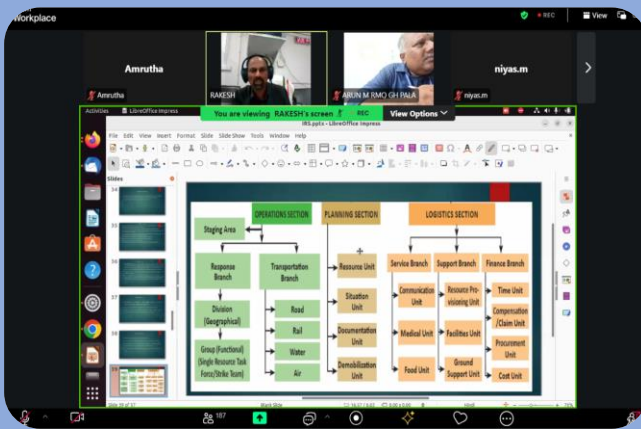

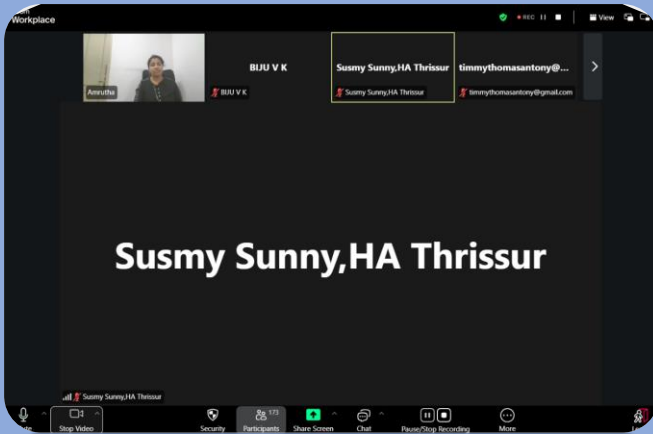

Training Details

As part of 2024 monsoon preparedness, trainings were organised on Incident Response System (IRS) for all District IRS officials and Taluk IRS officials of all districts. The training was organized by Kerala State Disaster Management Authority (KSDMA) and District Disaster Management Authorities. The training workshops were facilitated through virtual Zoom meetings, spanning from June 11th, 2024 to June 14th, 2024, held between 11:30 am to 12:30 pm each day. The primary aim of these sessions was to acquaint the IRS officials with their specific roles and responsibilities.

The sessions were handled by Mr. Rakesh M.C, Deputy Tahsildar, Wayanad, Mr. Siji M Thankachan, AM, KSCCAM, and Ms. Amrutha, Hazard Analyst, KSEOC. The speakers covered the history of IRS, IRS Structure, and the Roles and Responsibilities of IRS officials.

SI No	Districts	Trainers
11.06.2024	Kasaragod, Kannur, Wayanad, Kozhikode	Mr. Siji M Thankachan
12.06.2024	Malappuram, Palakkad, Thrissur	Ms. Amrutha
13.06.2024	Ernakulam, Idukki, Alappuzha, Kottayam	Mr. Rakesh M C
14.06.2024	Pathanamthitta, Kollam, Thiruvananthapuram	Mr. Siji M Thankachan and Ms. Amrutha K
