

## **HOSPITAL SAFETY**

Event name	Hospital safety programme
Event date	June 29, 2024
Event venue	CHC Pulluvila
Details of the event	<p>On June 29, 2024, as part of the Tsunami Ready program, a class was conducted at CHC Pulluvila on hospital safety. Dr. Jazeela, HA Public health from KSDMA served as the resource person, emphasizing the critical importance of hospital safety and the necessity of implementing a comprehensive safety plan in every healthcare facility. The session commenced with a briefing by the Hazard Analyst on the Tsunami Ready program, who also introduced and welcomed Dr. Jazeela. Later, she conducted the session, which concluded at 2:30 PM. The Hazard Analyst summarized the key points, and the vote of thanks was delivered by the Health Officer of CHC Pulluvila.</p>
