

SCHOOL SAFETY PROGRAMME

Event name	School Safety Programme
Event date	June 28, 2024
Event venue	Mohammadan LPS, Pulluvila
Details of the event	<p>As part of Tsunami ready programme on June 28, 2024, a school safety program was conducted at Mohammadan LPS School, Pulluvila, the only government school in the karumkulam Panchayath. The session was attended by five teachers and the President of the Parent-Teacher Association (PTA). Dr. Pratheesh Maman served as the resource person, emphasizing the importance of school safety measures and delivering a comprehensive session on the subject.</p> <p>During the program, Dr. Pratheesh also introduced the "USchool App" and provided a demonstration, stressing the necessity of keeping it updated. Participants engaged actively, raising several queries that were addressed satisfactorily by the resource person, making the session highly productive.</p> <p>Following the session with teachers, Dr. Pratheesh interacted with the students. The school, which currently has 31 students, benefited from Dr. Pratheesh's engaging teaching style, where he imparted basic disaster preparedness lessons through humorous videos. The students enthusiastically participated throughout the session.</p> <p>The program concluded at 2:30 PM. Subsequently, the District</p>

Disaster Management Authority (DDMA) team instructed the school authorities to finalize their Disaster Management (DM) plan by July 15.
