

Event Name	Heat Wave Preparedness and Mitigation
Event date	26th February 2025
Mode of event	Online - Google Meet
Details of the event .	I had the opportunity to lead an online awareness session on Heat Wave Preparedness and Mitigation for participants from across Kerala as part of the scientific lecture series by Sasthra Vedi, Palakkad on 26.02.2025. The session aimed to educate the public on the importance of safeguarding oneself, family members, and friends during periods of excessive heat. Participants were introduced to practical measures for preventing heat-related illnesses and staying safe during the summer months.
