

Event Name	Role of Youth in Disaster Management
Event date	17th December 2024
Event venue	KILA, Thrissur
Details of the event .	<p>I had the opportunity to lead a session on Role of youth in Disaster Management for students from Christ College, Irinjalakuda and St. Joseph College, Irinjalakuda as part of the Panchayat Climate Parliament Orientation Session organized by Bring Back Green Foundation in collaboration with KILA, Thrissur on 17.12.2024. The programme aimed to create awareness among youth regarding various types of disasters, preparedness measures, and the vital role children can play in disaster risk reduction and community resilience.</p> <p>The session covered topics such as the basics of disaster management, types of hazards, disaster preparedness at the individual level, and the importance of children's participation in safety drills and awareness activities. Interactive discussions and real-life examples were used to help the participants understand how their actions can contribute to safety during emergencies.</p>
