The Kerala Institute of Local Administration (KILA) & KSDMA organized a training programme on the preparation of Local Self Government (LSG) level Disaster Management Plans at the Gandhi Smaraka Grama Seva Kendra, Kalavoor, Alappuzha district on 28th and 29th November 2024.

The training was attended by elected representatives, officials, and members of Disaster Management Committees from 21 Grama Panchayats under the Pattanakkad, Kanjikuzhi, Thykattussery, and Aryad Block Panchayats.

Disaster management refers to a coordinated set of activities aimed at reducing the adverse impacts of natural or human-induced disasters. At the Local Self Government level, it includes prevention and mitigation of disasters, preparedness and response mechanisms, and post-disaster relief and recovery measures.

The training covered a wide range of topics such as:

- General profile of the Local Self Government Institutions
- Climate change and disaster vulnerabilities
- Disaster response planning
- Community-based disaster preparedness and mitigation measures
- Capacity and resource mapping
- Proposals for climate-resilient mitigation projects
- Disaster management funds and resource mobilization
- Important emergency contact details

Sessions were led by KILA resource persons Sri. Vipin Chandran, Sri. R.V. Edavana, Sri. Devaraja Panicker, Sri. T.K. Vijayan, Sri. Sreekalesan, and Smt. Chinthu C. Hazard Analyst.

The training programme was coordinated by J. Jayalal, District Facilitator, People's Planning, Alappuzha, and Rahul Kumar S, Disaster Management Plan Coordinator,. Thematic Experts Jayamma V.J., Vinitha Sudhi, Jyothi Binu, and Priyanka L.V., along with DCAT consultants Hari, Sheetal, Akhil, and Promod

2. Batch 2-Brookeshore Muncumbo, Pulicunnu at 5,6 December 2024.

A training programme on the preparation of Local Self Government (LSG) level Disaster Management Plans was organized under the leadership of the Kerala Institute of Local Administration (KILA)& KSDMA on 5th and 6th December 2024 at *Brook Shore Resort, Moncombu*.

Participants included elected representatives, officials, and members of Disaster Management Committees from 17 Grama Panchayats under the Ambalappuzha, Champakkulam, and Velianad Block Panchayats. The training commenced at 10:00 a.m. on 5th December and was led by KILA Resource Persons Sri. R.V. Edavana, Sri. T.K. Vijayan, and Sri. Monachan, who conducted detailed sessions on various aspects of disaster management planning. Hazard Analyst Smt. Chinthu C. also handled a special session, providing insights into hazard mapping and risk assessment. The programme was coordinated by S. Rahul Kumar, Disaster Management Plan Coordinator, and T. Manu, Block Coordinator (Champakkulam). Thematic Experts Jayamma Coordinator (V.J., Nimya (Champakkulam), Archana (Velianad), and Ajina Chandan (DCAT) extended facilitation support and guided the participants through plan preparation exercises.

3. Batch 3- Training at Puliyoor Grama Panchayat Hall, on 11,12 December 2024

Under the leadership of the Kerala Institute of Local Administration (KILA)&KSDMA, a two-day training programme on the Preparation of Local Self-Government (LSG) Level Disaster Management Plans was held at the Puliyoor Grama Panchayat Hall on 11th and 12th December 2024. Elected representatives, officials, and members of Disaster Management Committees from 34 Grama Panchayats under the Haripad, Muthukulam, Mavelikkara, Bharanikkavu, and Chengannur Block Panchayats participated in the training. The technical sessions were led by KILA resource persons R. V. Edavana, T. Monachan, T. K. Vijayan, K. T. Sreekaasan, and Chinthu C. The training was coordinated by Rahul Kumar S, Disaster Management Plan Coordinator, and Jijo John, RGSA District Coordinator. The sessions were supported by Block Coordinators C. K. Unnithan (Muthukulam), V. Sreeja (Mavelikkara), and C. Praveen Lal (Chengannur Municipality). Thematic Experts Ramya (Haripad), Jubitha (Muthukulam), Shilpa (Mavelikkara), Athira (Bharanikkavu), and Greeshma (Chengannur) provided technical facilitation and guidance throughout the training sessions.
