

INCIDENT RESPONSE SYSTEM (IRS) TRAINING REPORT 2026

KERALA STATE DISASTER MANAGEMENT AUTHORITY

Introduction

The Incident Response System (IRS) is a structured and efficient framework designed to minimize ad hoc decision-making during disaster response operations. It encompasses all functions and tasks that may be required in disaster management, regardless of the scale or complexity of the incident. The system envisages a coordinated team structure comprising various functional sections to address diverse response requirements effectively.

In Kerala, the Incident Response System (IRS) has been formally notified and operationalized from the State level down to the Taluk level to ensure effective coordination and response during disasters.

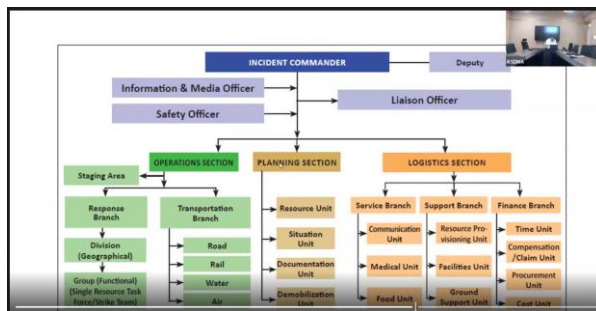

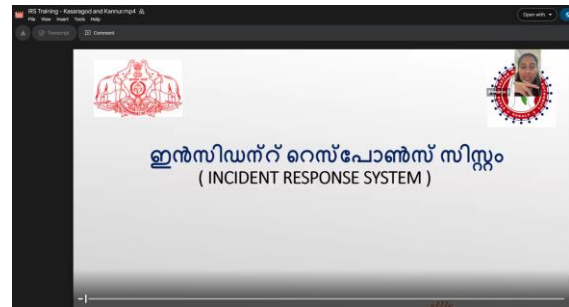

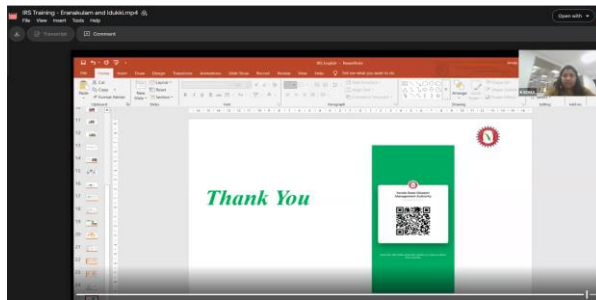

To strengthen the capacity of IRS teams and ensure that all designated officers are well-versed in their roles and responsibilities, the Kerala State Disaster Management Authority (KSDMA) conducted a series of IRS training programmes for District and Taluk-level IRS team members across the State.

Online training programmes were conducted for participants from 13 districts, while an in-person training programme was organized for the IRS team members of Pathanamthitta district.

The sessions were handled by Mr. Siji M Thankachan, Office Manager, Kerala Climate Change Adaptation Mission and Ms. Amrutha, Hazard Analyst, KSEOC. The speakers covered the history of IRS, IRS Structure, Roles and Responsibilities of IRS officials.

SL NO	DATE & TIME	DISTRICTS
1	02.06.2026, 11.00 am to 1.00 pm	Trivandrum and Kollam
2	03.06.2026, 11.00 am to 1.00 pm	Kasaragod and Kannur
3	04.06.2026, 11.00 am to 1.00 pm	Ernakulam and Idukki
4	04.06.2026, 3.00 pm to 5.00 pm	Palakkad and Thrissur
5	05.06.2026, 11.00 am to 1.00 pm	Malappuram, Wayanad and Kozhikode
6	06.06.2026, 11.00 am to 1.00 pm	Alappuzha and Kottayam
