| Event Venue                                 | Purakkad Grama Panchayat                                                                                                                                  |
| Conducted / Organised by                    | DDMA,KSDMA                                                                                                                                                |
| Details of the Event                        | Sign Board installed on Assembly Point, PayalKulangara Temple ground, Signage board on Karoor Junction, Tsunami Information board on Thottappally harbour |
| Total Number of Participants                | 9                                                                                                                                                         |
| Number of Females                           | -                                                                                                                                                         |
| Number of Males                             | 9                                                                                                                                                         |
| Number of Others (Non-binary / Transgender) | 0                                                                                                                                                         |
| Number of Children (below 18 years)         | 0                                                                                                                                                         |
| Role Played by the Officer(s)               | Vice President Purakkad, Keltron,<br>Rahul Kumar S, DM Plan Coordinator,                                                                                  |

# KERALA STATE DISASTER MANAGEMENT AUTHORITY – EVENT REPORT 11/08/2026

|                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Output from the Event                  | <p>Clear mapping and signage eliminate confusion during critical time-sensitive emergencies, directing people seamlessly from vulnerability zones to the <b>PayalKulangara Assembly Point</b>. Equipping <b>Thottappally Harbour</b> with dedicated boards protects the most at-risk demographic—marine workers and the fishing community—by keeping safety protocols visible.</p> <p><b>Community Resilience:</b> These installations act as physical milestones proving Purakkad Grama Panchayat's adherence to standardized disaster risk reduction (DRR) protocols under the Tsunami Ready framework.</p> |
